

**The Lake Superior Energy Association invites you to attend an
informative and interactive presentation about climate change—
from concern to action (what you can do about it).**

For further information, visit
www.lakesuperiorenergy.org
or call 218-722-9003, ext. 20.

J. Drake Hamilton
Science Policy Director
Fresh Energy

Friday, September 7, 2007
